

# W elcome to the 2008 Summer Enrichment Program at St. Catherine of Siena School

## Grades PreK–6

This program is designed to provide enrichment activities for the pre-school and elementary school student. Students will be able to explore different interests while receiving supportive instruction that builds upon what they learned during the school year. The units covered in the academic class will touch upon essential skills in such areas as language arts, math, science and social studies specifically designed for their grade level. The creative class may include elements of arts and crafts, painting, cooking, drawing, and more that will let them explore their creative side. The movement activities will include gross motor activities, sports and games.

Students will be grouped according to grade levels. They will be taught by qualified teachers who will have FUN doing it!

## Rotating

Each day the students will take part in 1 hour academic, movement and creative classes.

## Location

The location for this program will be at the St. Catherine of Siena School Junior High Building and is open to all students entering Grades PreK-6 who live in Norwood or area towns.

## Pick Up and Check In

Check in will take place in the cafeteria starting at 8:15am with the first class starting at 8:30am. Pick up is at noon also in the cafeteria. Each day you must sign your child in and out.

## Conduct and Dress

Students are expected to adhere to the same rules of conduct that are enforced during the school year. Appropriate summer dress is expected. (Sneakers should be worn each day.)

## Registration and Tuition

This program is supported solely by tuition. A commitment to a teacher cannot be made until an amount equal to expected expenses has been realized by enrollment. Therefore, early registration is encouraged.

No tuition will be refunded once the registration form is received. Payments will be refunded ONLY if there is insufficient enrollment.
