

St. Catherine of Siena School

*See Christ in Others. Be Christ for Others.*

2019-20 School Year

Dear Parents,

The School Dental Clinic for Saint Catherine of Siena School is\_\_\_\_\_. This service provided by the Norwood Department of Public Health is available to the children of SCS from Grades 1 through 6. The service includes initial examination of the teeth, which is performed at school, at no charge by Dr. Mark Stone, a Norwood Pediatric Dentist. Parents will be notified by mail, following the initial examination, if a cleaning or sealants are recommended. Follow-up visits for cleaning and sealants are done at the Norwood Town Hall. Students are walked in pairs over to the Town Hall during the school day, and walked back by Dr. Stone’s assistant. The cost for a cleaning is \$1.00. Sealants are provided at a cost of \$1.00 per tooth.

I urge parents to take advantage of this incredible opportunity, especially in view of the high cost of dental care today. It is a wonderful service offered to Saint Catherine of Siena School.

Sincerely,

Lorna Maiona, RN, BS
