

The Gift They Will Thank You For

Saint Catherine of Siena School was founded in 1926 by the Sisters of Saint Joseph. Their mission was to educate every child and help students to learn and love God. Today, their mission continues through the talented and passionate staff at Saint Catherine of Siena School. With a thriving Early Childhood Center, elementary and middle school, St. Catherine's provides an environment where students' love for Christ and learning are cherished and nurtured through eighth grade.

Here at St. Catherine's (SCS) we offer small class sizes and a challenging curriculum. Our faculty is highly qualified and experienced to give our students the best start to their education. The curriculum goes beyond the standards set forth by the Department of Education. Students are instilled with the Catholic values of respect for their neighbor, social justice, and belief in the power of giving to others.

Our exemplary language arts, mathematics, science and social studies programs provides each student with the tools that they need to be successful in the future. With an emphasis on self-exploration, creative opportunities and discovering the world, our students are surrounded by encouragement and support from our teachers. Our students grow and learn in a caring, safe and trusting environment that emphasizes a love for Christ and their fellow classmates.

**To register for Kindergarten,

We Believe....

At Saint Catherine of Siena School we believe in treating our neighbor as we wish to be treated, following the example of Christ in leading faith-filled lives in service to others. We believe that everyone is made in the image and likeness of God, no matter what we look like or where we come from. At Saint Catherine's, we believe in supporting every student and helping each one reach their full potential in a loving, caring and safe environment. Most importantly, we believe in our motto of "Seeing Christ in Others and Being Christ for Others."
