What Are The Benefits?

Saint Catherine's offers a full-day Catholic school education and curriculum which follows and exceeds the national standards for early childhood programs. With small class sizes and low student to teacher ratios, our students receive individualized attention and instruction and an experience similar to the older children. Children receive early instruction in Gym, Music, Art, Chinese & Spanish.

By providing an education that is sure to open the gates to success in future learning, Saint Catherine of Siena School strives for academic excellence in a caring and Christian environment. Our Pre-School and Pre-K students learn through hands-on creativity, with daily religion lessons, letter formation and mathematics.
