In a personalized, student-centered environment, we celebrate the God-given greatness and unique potential of every child. We help students to develop a deep faith and love of God, and to grow as compassionate, confident, and courageous young men and women, prepared to use their gifts as Christian servant leaders in the world.

Our Beliefs

- Christ is the reason for this school. He is the unseen but ever present teacher in our classrooms
- He is the model for our faculty and the inspiration for our students.
- Teachers, parents, clergy and staff strive for excellence within the framework of the mission and work of Catholic education and St. Catherine of Siena Parish.
- Every individual can make a contribution to this community and is encouraged to do so gladly.
- All members of this community treat each other as they would like to be treated.
- All members of this community will work together for the overall spiritual and educational vitality of the school.
- Students are prepared to be engaged, faith-filled members of the larger community in an ever changing society.
- Catholic education is a gift in the life of each student's faith formation and thereby, a gift in the life of the Church.

Catholic education at Saint Catherine of Siena School endeavors to create an environment that fosters the development of the spiritual, academic, and physical growth of the child in an atmosphere that enables students to discover what is best in themselves while discovering and reverencing Christ in each other. To be Christian means to be as Christ, to think and love as Christ.

ADMISSION/TUITION POLICIES

Saint Catherine of Siena School admits students without regard to race, color or creed. Siblings and parishioners may be accepted first. Non-Catholic students will be asked to attend religion class, all religious celebrations and liturgies. Non-Catholic students do not receive the sacraments of the Catholic Church.

TUITION

Tuition Rates for Saint Catherine of Siena School are approved by the Pastor of Saint Catherine of Siena Parish after consultation with the School Advisory Board and the Parish Finance Council in the January prior to the start of the next school year. Once the final rates are determined, parents of current students may choose one of these payment methods:

- A- Full Payment- Due July 2020
- B- Semi-Annual – Due July 2020 and January 2021
- C- Quarterly – Due July 2020, October 2020, February 2021 and April 2021
- D- 10-Month – Due July 2020 thru April 2021
- E- 12 Month – Due July 2020 thru June 2021
- F- Bi-Weekly – Due 2X per month July 2020 thru June 2021

Tuition bills for the next school year are issued in June so that payments begin in July. Please refer to the Admissions page on the school's website for additional information and the link to sign up for the FACTS payment plan.

Tuition Payments Owed – Procedure

SCS utilizes tuition to pay salaries and school expenses and so, we thank SCS families for paying tuition on the FACTS Management System in a timely way. If tuition payments do not remain current for those SCS families who have chosen to utilize the quarterly or 10 month option on the FACTS management system, Mrs. Canniff (*who helps families to manage SCS tuition*) will schedule a phone or in person meeting. At the meeting with the family will work with Mrs. Canniff to determine a mutually agreeable plan to help the family to be current with tuition. If the matter is not able to be resolved after the meeting, another meeting with Mrs. Canniff and the School Principal or Vice Principal will be arranged. If payment is still not made consistently after that meeting, an exit plan for the student may need to be arranged.

Enrollment for the Following Year

Each January, families are asked if they would like to re-enroll students for the upcoming school year. Siblings are added to the roster at this time. Enrollment for each student is secured with a non-refundable deposit. Students will not be allowed to start a new school year with an outstanding school year tuition balance unless a previously agreed upon payment plan is in place. Re-enrollment may be precluded for outstanding tuition balances without agreed upon and current payment plan.

All students in Grade 8 are expected to have all tuition and fees paid on or before May 1. Students in Grade 8 with outstanding balances may not be permitted to take final exams, receive their report card, or participate in events or activities during Graduation Week.

Withdrawals

All deposits are non-refundable. Please know that any fees will be deducted prior to issuing a refund. Refunds for students who are voluntarily withdrawn by a parent may be forthcoming in the following based upon the following time frame:

Date	Percentage of Annual Tuition Due and Not Refundable
Before 6/15	10%
Before 8/15	40%
Before 9/15	75%

Questions regarding financial matters are held in strict confidence. Please contact Mrs. Canniff at 781-769-5354 or lcanniff@scsnorwood.org for more information about tuition and/or refunds.

ACADEMIC POLICIES

REPORT CARDS AND PROGRESS REPORTS and APPOINTMENTS with TEACHERS

Report cards are issued three times a year for students in Grades 1-8. Absences and tardiness as well as conduct and effort are also reported. Kindergarten students will receive report cards in March and June. Preschool and Pre-Kindergarten students will receive progress reports in March and June.

Please make requests in writing to your child’s teacher(s) if your family needs more than one copy of your child’s report card, interim reports, school calendars or other school information.

In the middle of each quarter, *Notices of Concern* will be **emailed** to homes of students in Grades 4-8 having academic difficulty (grades below 75%.) These notices are to be signed and returned to their homeroom teacher within five days of receipt and/or emailed to the homeroom teacher within five days of receipt.

Parents/guardians are asked to examine Report Cards and Notice of Concerns carefully. A parent/guardian’s signature indicates that the report has been thoroughly examined. *Parents/Guardians who need more information about their child’s progress or any other relevant issue should make an appointment with the child’s teacher to discuss their child’s progress. At the meeting, a collaborative plan to help the child to be/feel as successful as possible can be determined as appropriate.* Scheduled Parent/Teacher meetings will take place in December and March for Preschool through Grade 8.

HONOR ROLL

Students in Grades 6-8 are eligible for the Honor Roll:

- To receive “High Honors,” a student must achieve a 94 or better in all subjects.
- To receive “Honors,” a student must achieve an 85-93 or better in all subjects.
- All Honors students must receive at least a “Satisfactory” in both conduct and effort, as well as in all subjects including Specials (Art, Music, Gym, Spanish, Study Skills, and STREAM INNOVATION LAB.)
- The general conduct grade reflects the behavior and attitude of each student in all places on school grounds and toward all community members including both faculty and students. Students who receive HONOR ROLL at SCS also exemplify and model what it means to *SEE CHRIST IN OTHERS, BE CHRIST FOR OTHERS*.

GRADE RETENTION

In order to move to the next grade level, students must satisfactorily complete the curriculum requirements for their current grade and not have excessive unexcused absences. Teachers who feel that a student would benefit from being retained and having an additional year of learning in a particular grade level will notify parents/guardians that the student is being recommended for retention by May 1st. SCS suggests that the parents/guardians meet with the Teacher and Principal to discuss the recommendation. After the meeting, a collaborative determination will be made about what is best for the student.

GRADUATION REQUIREMENTS

Diplomas will be awarded to students who have successfully completed the program of study and are in good standing with the school. A list of pre-graduation activities and costs will be sent home in the spring. All tuition bills, as well as payments for lost books and damaged property, must be made at least two days prior to graduation.

THE LEARNING CENTER

Three SCS Faculty and Staff members work full or part-time at SCS in order to work to support students who need additional educational support in order to feel and be successful at SCS. They work to support students in Grades Kindergarten to Grade 8 who have additional learning needs as defined by a 504 Plan or Individualized Education Plan. The SCS Learning Center team utilizes the Individualized Education Plan created by the school district or other pre-approved person or agency to determine a plan of support for a child(ren.) SCS Faculty and Staff also use that plan to determine the frequency of support needed by the student. An SCS educator may sometimes recommend a student for additional support.

HOMEWORK

Homework is assigned to help SCS students:

- Become more self-reliant.
- Learn to work independently.
- Improve and reinforce the skills that have been taught in class.
- Complete certain projects that require individual and/or creative effort.

The following table provides guidelines as to the amount of time the typical student should spend daily on homework. Please note that these times do not include *independent reading* times. If a student has several teachers and homework excluding long-term projects, exceeding these amounts, students or their

parents/guardians are encouraged to inform SCS teachers who will work to make appropriate accommodations. Homework will **not** be scheduled over weekends or school vacations for SCS students in Grades 1-5. Homework for Middle School Students in Grades 6-8 will be kept to a minimum over weekends and school vacations and include only *long term projects/assignments*. For ex: the Middle School Science project. During MAP Testing, students will not receive any homework the night before the MAP Assessment(s). There will also not be any additional tests given during MAP Assessment time. In addition, projects or long-term assignments will not be due during MAP Assessment time either. Participation in SCS or other sports/teams or activities is not a reason for SCS homework to be excused.

APPROXIMATE SCS HOMEWORK TIME:

Grade	Time
Grade 1	10 – 20 minutes
Grade 2	20 – 30 minutes
Grade 3	20 – 30 minutes
Grade 4	30 – 60 minutes
Grade 5	30 – 60 minutes
Grades 6 - 8	60 – 90 minutes

EXTRA HELP

Extra Help is available to all SCS students. Please contact your child’s teacher to arrange ‘Extra Help.’ All SCS Middle School Teachers will schedule at least one day a week when they are available to provide extra help after school.

RECORDS

The Family Educational Rights and Privacy Act of 1975 gives all parents and guardians permission to view student records. The SCS Records for each child include: academic transcripts, academic testing, health records, and emergency cards. Please make an appointment 24 hours in advance in order to view your child’s records. SCS School Records can also be viewed on our FACTS School Information System. During the pandemic time, records will be emailed to families upon request if all tuition bills are current and/or paid in full.

COMMUNICATION

SCHOOL COMMUNICATIONS

During the school year, a school calendar will be available online at our web site www.scsnorwood.org for SCS Parents/Guardians. This calendar will list school events, vacations, days of early dismissal, and other pertinent data that parents/guardians will need to know regarding school life. Each week a *Week-at-a-Glance* electronic newsletter will be sent by email to parents notifying them of school events. Periodically, additional fliers and letters will be sent from the school office to parents/guardians. All notices for 2020-21 will be sent electronically unless otherwise requested in writing to the school office. Parents are encouraged to check student folders and backpacks regularly.

E-MAIL PROTOCOL

All SCS educators have a school email and look forward to ongoing bi-lateral communication with families. However, sometimes, an email is inadvertently overlooked. If that anomalous situation happens, thank you in advance for following up with a phone call to the teacher or staff member and/or please leave a message with our School Secretary, Miss Lozano.

SCHOOL CANCELLATION

SCS follows the same ***Inclement Weather Closings Policy*** as Norwood Public Schools. If Norwood Public Schools have no school, SCS will have No School. Additionally, if Norwood Public Schools have a delayed opening or early dismissal, SCS will have a delayed opening or early dismissal. However, if Norwood Public Schools has school on an *inclement weather* day, SCS reserves the right to cancel school. Please know that this decision would be done with the utmost appreciation for the impact of ‘*inclement weather school closing*’ on working families.

SCS will announce school closings on TV Channels 4, 7, 56, Fox 25 and WBZ radio. Parents will also be notified via email and through our social media pages.

Again, if SCS dismisses early during the school day due to inclement weather or an emergency, parents will be notified via email, through our social media pages and an announcement will be posted on the TV Channels listed above.

SCS Students will be released from the school office on *Inclement Weather/School Emergency* days at any time if parents/guardians come to the school and request that their student be dismissed.

Please note that if there is no school because of *Inclement Weather/School Emergency*, there will be no extracurricular activities such as basketball, play practice, etc. There are no exceptions.

CODE OF CONDUCT

SCS students are expected to:

- *See Christ in others. Be Christ for others* ~ at all times and in all ways!
- Show respect and act with courtesy at all times and in all ways!
- Display honesty in their daily interactions at all times and in all ways!
- Respect and care for private, public, and SCS school property at all times and in all ways!

SCS Students are absolutely expected to live our school motto, ***See Christ in Others, Be Christ for Others***. All students are expected to utilize safe and respectful words/actions/behaviors at all times. This includes in the classroom, at recess, lunch, in lines, during transitions, in the bathrooms, in all areas of the school and grounds, on Social Media, email, in texts and going to and from school and any school related activities as well as in the community because our student body represents our Christ filled school community. SCS works diligently to foster an atmosphere that helps students to develop their capacity to be a contributing member of our school community responsible for their own behaviors and words. All students are also responsible for and expected to work to appreciate the impact of words or actions on other students and/or faculty both positively and negatively. A Code of Conduct utilizing a system of progressive discipline has been developed at SCS. The Code of Conduct outlines a system to help our students to be responsible for themselves and work to be responsible for their own words and actions while they develop their capacity to spread God’s light in our school and community.

Students are expected to conduct themselves in a manner consistent with school rules and regulations in order to support our safe learning community. Student conduct shall reflect care and respect for all other members of the school community. Any student who acts in a manner inconsistent with the SCS Code of Conduct as outlined in this handbook will be subject to Progressive Discipline. Initially, all educators in each SCS classroom will work to share clear expectations with all students. If a student acts or uses words that impact another student negatively, the educator will first speak with the student privately and respectfully. Depending upon the age of the student, the educator will help the student to make amends

and work to peacefully resolve the situation. However, if the situation is determined to be serious by the educator and depending upon the age of the student, the Principal, Vice Principal, School Counselor, *Norwood Police Department School Resource Officer assigned to SCS* or a Parish Priest **will be notified** as well as Parent/Guardians as appropriate. However, confidentiality will be maintained as much as possible. (Sometimes, students will share the names of the other students involved but faculty and staff will always work to maintain confidentiality as much as possible.) Inappropriate words, egregious actions or repeated occurrences will be communicated and reviewed with Parents/Guardians, the Principal, Vice Principal, the School Counselor, *Norwood Police Department School Resource Officer assigned to SCS* and/or School Nurse. Depending upon the words or actions, an older student may be given the opportunity to have a meeting with a Parish Priest. It is up to the child to determine whether they would like to avail themselves of the Sacrament of Reconciliation at that time. Additionally and depending upon the seriousness of the action or words, parents/guardians may be asked to have their student assessed by a physician before returning to school in order to assure the safety of the student and other students. If a student continues to exhibit alarming actions/words, the student exhibiting the profound actions/words may be asked to transition to a different school where his/her complex needs would be better met. This would be done in order to provide that individual student with a program that best meets his/her needs while appreciating that SCS absolutely needs to maintain an emotionally & physically safe learning environment for all students at all times.

SCS MIDDLE SCHOOL CELL PHONE & SOCIAL MEDIA POLICY

- **SMART PHONES, SMART WATCHES AND OTHER HANDHELD ELECTRONIC DEVICES FROM HOME OTHER THAN SCS CHROME BOOKS OR SCS IPADS ARE PROHIBITED FROM SCS GROUNDS and SCS Middle School unless they are in a student's backpack and not being used except with specific permission from faculty, staff or SCS administration.** Smart Phones, Smart Watches and other Handheld Electronic Devices from home other than SCS ChromeBooks and SCS Ipads are prohibited from SCS school grounds for school safety and security unless they are kept in a backpack and turned off. Devices in a jacket, coat, pants or on a wrist are not considered 'put away' and any student noticed with the item, will be given a WARNING *once* to put the item away. Items not put away will be confiscated after the initial warning and the student will be issued a 60 minute detention that afternoon after school. A second infraction will result in an additional detention and 2 hours of Community Service after school or on weekends as determined by SCS Administration. A third infraction will result in a 3rd detention and 3 hours of Community Service after school or on weekends as determined by SCS administration. *Parents wishing to reach students during school hours are asked to call the main office and leave a message for the student or ask that the student come to the office and return the call.*
- Text messaging, emailing anyone other than faculty and staff and/or scrolling/posting on Social Media during the school day and/or on SCS grounds during the school week at any time is prohibited and is not allowed even between the student and a parent/guardian. If a student is observed to be text messaging, emailing or scrolling/posting on Social Media during the day with a *Smart Phone* or *Smart Watch* and/or if there is evidence that the student has done so from his/her account, the student will be given a WARNING once to put the item away. After the initial warning, the phone or watch will be confiscated, the student will be given a 60 minute detention that afternoon and a parent will need to retrieve the device from the office. Discipline for repeated violations will be left to the discretion of SCS Administration. A second infraction will result in an additional 60 minute detention and 1 hour of Community Service after school or on weekends as determined by SCS Administration. A third infraction will result in a 3rd 60 minute detention and 2 hours of Community Service after school or on weekends as determined by SCS administration.

- Taking pictures, recording videos or recording conversations without consent at any time during the school day is strictly prohibited and students will receive a 60 minute detention that day after school if they are observed or if there is evidence that they have done so without consent from SCS faculty, staff or administration. A second infraction will result in an additional detention and 1 hour of Community Service after school or on a weekend as determined by SCS Administration. A third infraction will result in a 3rd detention and 2 hours of Community Service after school or on a weekend as determined by SCS administration.

PROGRESSIVE DISCIPLINE/SCS Disciplinary Process

Please find the *SCS Disciplinary Process* below however, the SCS Administration reserves the right to impose any level of discipline depending on the nature or severity of words/actions exhibited by the student. Again, SCS Administration has the authority to exercise discretion in deciding the consequences for a student who has violated disciplinary rules. The Principal/Assistant Principal will always work to first consider ways to re-engage students in the learning process, and will work with students and families to avoid suspension until other remedies and consequences have been employed if at all possible.

Progressive Discipline/SCS Disciplinary Process – Stage I

Words/Actions that constitute a violation or infraction as outlined in the handbook will result in:

- A. Verbal Warning from Teacher/Administrator, and/or
- B. Loss of privileges and/or 60 minute **detention** as directed by the teacher/administrator in response to subsequent violation/infractions or a single egregious action.
- C. Detention is scheduled for 60 minutes after school from 2:30 to 3:30pm on the day of the infraction. Detentions are assigned by Middle School Teachers or SCS Administrators. All other student commitments must be rescheduled (Appointments and/or athletics). If a student fails to report to detention as assigned, his/her parent/guardian will be notified to inform them of the situation and to explain the consequences of failing to comply with the initial detention. If a student fails to report to detention on the second day, a student may be Suspended from school.

Progressive Discipline/SCS Disciplinary Process – Stage II

After three detentions in a marking term and/or words/actions that are part of a single egregious infraction, there will be a meeting with the students, the Parents/Guardians, Norwood Police Department School Resource Officer assigned to SCS and a School Administrator. Middle School students who receive three or more detentions will be prohibited from being on the Middle School Honor Roll. Students who receive any formal discipline may jeopardize their capacity to be SCS Salutatorian or Valedictorian.

Progressive Discipline/SCS Disciplinary Process - Stage III

Suspension ranging from 1-3 days and/or a Behavior Contract* and/or possibility of being asked to leave SCS for the rest of the year and/or 1-2 years *will be the consequence(s) for any SCS student who has had a meeting with Parent/Guardian and the School Administrator during Stage II and continues to exhibit untenable words/actions and/or a single egregious act/words.* During an academic based suspension (e.g., cheating), the student will receive zeroes in class work, quizzes, homework, and tests. **Behavior Contract will be entered into with the Student, Parents/Guardians and SCS. This contract will state that if the student's behavior does not improve significantly as defined by SCS administration, the student will be asked to leave SCS for the rest of the school year. Again, SCS students who receive any formal discipline may jeopardize their capacity to be SCS Salutatorian or Valedictorian.*

SPECIFIC DISCIPLINARY REGULATIONS

The offenses mentioned below are **major infractions** of the SCS Code of Conduct and may result in suspension for a minimum period of one to three days and could result in prosecution and/or expulsion. Any student facing a suspension will be given notice of the charges and the parents/guardians notified. A student in violation of any of these policies, in addition to school disciplinary action, will be referred to the appropriate authorities including our Norwood Police Department *School Resource Officer*:

- **Inappropriate, dehumanizing, demeaning and/or graphic post on social media, email and/or text with similar inappropriate, dehumanizing, demeaning and/or graphic nature.**

OTHER INFRACTIONS

Discipline up to and including suspension may be considered for any student who commits any of the following single offenses:

- Disobedience or disrespect to school staff members or volunteers

TARDINESS

Students arriving at school after 7:50 a.m. are marked tardy for that day. Students arriving after 8:00 a.m. must report to the school office (Nahatan Street entrance) accompanied by a parent. The parent must sign the Tardy Log and the student will be issued a tardy slip and sent to class. Everyone must adhere to this policy for reasons of safety.

After reporting to the school office, Middle School students must check in with their homeroom teacher, and then proceed immediately to their assigned class. They may not go to their locker or coat room until their scheduled break. They will be asked to carry their belongings with them to avoid a further loss of class time. Parents will be informed of excessive tardiness. Students arriving after 11:15 a.m. will be marked absent for the day. Children who arrive late because of a bus delay will not be marked tardy, nor will students whose arrival at school is delayed because of congested traffic or extremely inclement weather.

ABSENTEEISM

Parents and students are asked to prioritize attendance. If a child is to be absent or will be late to school, parents/guardians are asked to call the school (781-769-5354, option #1) prior to 7:45 a.m. but no later than 8:30 a.m. Parents/guardians will be called to check on their child(ren) if no notification has been received. A note explaining the absence or previously arranged dismissal of a child should be presented to the child's homeroom teacher upon his/her return to the classroom. State law requires a doctor's certificate if a contagious disease was the cause of the absence. It is suggested that the work missed during a child's absence be made up within a reasonable length of time. This should be discussed with the teachers involved as soon as the child returns to school. A student who is absent from school may **not** participate in any after-school activities, including sports, concerts and performances, and the Extended Day Program. After a total of twenty-one days of absence, it will be necessary to evaluate if a student will be able to move to the next grade. Letters of concern will be sent to parents if a student's absence becomes a concern to the teacher.

DETENTION

In order for discipline to be effective, it must be administered in a timely manner. Therefore, when students have progressed through the disciplinary process to the point of detention, the detention is irrevocable once issued. Detention must be served on the next available detention day, unless very inconvenient for the parent/guardian which should be indicated by a written note/email with the signature of the parent/guardian. Students and their parents/guardian will be notified in writing at least one day in advance with a *Detention Notice*. Students should return the signed Detention Notice the next school day to the issuing teacher. The teacher will send the pink copy to the office or a copy of email from family to the school office. Detention will be held twice weekly on Tuesdays and Thursdays. Students will be released from the main entrance on Nahatan Street at 3:00 p.m. Failure to return the signed detention

notice or a note that the family has seen the detention notice on the next school day may result in further consequences.

Detention Policy:

- Three missed homework assignments - 1 detention
- Every three missed homework assignments thereafter - 1 detention
- Single, egregious offense identified by school administrators, teachers, Parish Priests, etc., - 3 detentions
- Three *behavioral detentions* assigned in a trimester - Loss of privilege(s), e.g., dance, ski trip, etc., and a meeting with the parent/guardian and school administrator and additional loss of capacity to be part of the SCS Middle School Honor Roll. *SCS students who receive any formal discipline may jeopardize their capacity to be SCS Salutatorian or Valedictorian.*
- At the start of the trimester, students begin the Detention Protocol again.
- If an individual teacher wishes to give his/her students a grace period of one or two days to pass in a missed assignment before detention is assigned, that is at the discretion of the individual teacher.

SEXUAL HARASSMENT - STUDENTS

SCS is committed to making the school free from sexual harassment. This means that the school prohibits harassment made by someone from or in the school. Sexual harassment includes but is not limited to such actions as unwelcome sexual advances; requests for sexual favors; pejorative comments regarding sexual preference; and verbal, visual, or physical conduct of a sexual nature by someone from or in the school. The school prohibits conduct that has the purpose or effect of having a negative impact on the student's academic performance, or of creating an intimidating, hostile, or offensive educational environment. The school further prohibits sexual harassment in which a student's grades, benefits, services, honors, program, or activities are dependent on submission to such conduct.

Sexual harassment or the perception of it should be reported to a school administrator as soon as possible.

BULLYING PREVENTION AND INTERVENTION

SCS has a Bullying Prevention and Intervention Plan posted on the school's website www.scsnorwood.org. To access this Plan, please click the magnifying glass on the upper right side of the home page and type in Bullying Prevention Policy.

SCHOOL BUSES

Riding a school bus is a privilege enjoyed by students who live in Norwood and are beyond a reasonable walking distance from school. This is a fee-based transportation program. This information is available on the Norwood Public Schools website. The safety of all passengers is a major concern of the Bus Company, school authorities, and parents/guardians. Unsafe behavior or actions that interfere with the safe conduct of the school bus will be reported, investigated, and acted upon by the school and/or bus company.

The following are some general rules:

- Acceptable public manners and conduct must be observed at the school bus stop.
- Students, upon dismissal, must walk to their busses.
- Upon boarding a bus, students must be seated. Undue noise, throwing of objects, pushing, shoving, or wrestling are positively prohibited for reasons of safety for all passengers.
- Littering or defacing of the bus is an egregious offense.

- Students are not to stand up on a school bus until the bus comes to a complete stop and the driver opens the door.
- After being discharged at a school bus stop, students must cross the street if necessary in front of the bus. They must cross far enough ahead of the bus so that the driver may adequately observe them.
- The emergency door is used for emergency exit only. Children must not touch safety equipment on the bus, students must understand that a school bus is an extension of school property and that the same code of conduct with appropriate consequences will apply for bus misbehavior as it applies to school misbehavior.
- Depending on the severity of the offense, in addition to the stages of Progressive Discipline stated previously, revocation of the bus privilege is possible.
- Depending upon the severity of each case, such revocation may be temporary (one day), or extended (one week or one month), or permanent (the remainder of the school year).

NOTE: Please note that the rules concerning behavior on school buses also pertain to field trip buses.

SCS RIGHTS AND RESPONSIBILITIES OF PARENTS/GUARDIANS

EXTRA-CURRICULAR ACTIVITIES

SCS offers a variety of extra-curricular activities at various grade levels. If a student is declared ineligible, he/she can only become eligible when the next report card is issued and all grades are passing/satisfactory. Certain disciplinary actions may also prevent students from participating in such activities. All students involved in sports programs at Saint Catherine School must have health insurance. They must have also attended school that day. During the 2020-21 school year, extra-curricular activities may be cancelled or postponed in accordance with SCS Covid-19 Prevention protocols. Thank you for your understanding.

MEDICAL

EMERGENCY INFORMATION

Emergency information is input directly into the student database by the child's parent(s)/guardian(s). A student survey is emailed at the start of the current school year to each family for review and correction. Emergency contact information is part of that survey. As in the past, the telephone numbers provided indicate the parent/guardian's permission for the school to contact the person designed. All information is considered confidential.

MEDICAL RECORDS, PHYSICALS, AND IMMUNIZATIONS

Massachusetts law requires physical examinations and updated immunizations for all students entering Pre-School, Pre-K, K, Grade 4, and Grade 7. This information is also required for all new students entering Saint Catherine of Siena, regardless of the grade. The physical exam must be done within one year prior to the start of the school year. Medical records must be received by the school prior to August 31st of the current school year.

MEDICATIONS

Parents/Guardians are asked to submit any medication administration forms to the School Nurse. These forms are available on the school website *under* 'Health Office.' If a student must take any form of medication (prescription medicines **as well as** over-the-counter medicines) during the school day, a form must be on file in the SCS Nurse's office. All prescription medicines must be in the original containers. All medication (prescription or over the counter) must be in the original pharmacy container and must be brought to the school nurse by a parent/guardian. PLEASE do not send any medication to school with your child.

SCS Faculty and Staff members are not allowed to dispense medications of any kind.

A second Epi-pen will be stored in the cafeteria, if the cafeteria reopens during the school year. If your student is in middle school, the second Epi-Pen will be placed in the middle school faculty room. This way, middle school students who may need the Epi-pen will have access, if needed. Inhalers that are stored in the nurse's office will be brought on field trips as needed.

STUDENTS WITH ALLERGIES

Prior to entry into school, or for a current student who has been diagnosed with a life-threatening allergic condition, the parent/guardian must complete an *EMERGENCY HEALTH CARE PLAN (EHCP)*, which can be found on the SCS website under the 'Health Office' page. The EHCP clearly states the allergy as well as the signs and symptoms, emergency contacts, attached photo ID, physicians signed orders and the action needed. The parent/guardian should then meet with the school nurse to review the EHCP to assure

all necessary information is included. **This may include, but it not limited to:**

- Licensed provider order for epinephrine by auto-injector as well as other medications needed.
- Medication orders must be renewed at least annually and it is recommended that the order be from an asthma and allergy specialist
- Parent/guardian's signed consent to administer all medications
- Parent/guardian's signed consent to share information with other school staff.
- A minimum of two up-to-date EpiPens. The type of allergies (e.g., milk, tree nuts, etc.).
- Description of the student's past allergic reactions, including triggers and warning signs.
- Description of the student's emotional response to the condition and need for support.
- Name/telephone number of the student's primary care provider and allergist.
- Method to reach parent/parent designee should an emergency occur, e.g., telephone, cell phone.

SCS has also designated tables in the cafeteria specifically for K-8 students with allergies, if the cafeteria reopens for lunch during the 20-21 school year. Until further notice, ALL students will eat their snack/ lunch in the classroom setting (outside meals, if weather permits on occasion) due to COVID restrictions/guidelines. In order to protect children with allergies, these classes are nut-free classrooms. Students at **all levels** are instructed to not share food.

GUIDELINES FOR KEEPING CHILDREN WHO ARE ILL AT HOME

SCS is currently working in partnership with SCS families to prevent the spread of COVID-19 virus.

Students with any of the following symptoms are prohibited from attending SCS. SCS families ALL adhere to the ATTESTATION that they will absolutely NOT under any circumstances send a student to SCS with any of the COVID-19 related symptoms below until/unless they have communicated in advance with our SCS SCHOOL NURSE.

Additionally, students with any/all of these COVID-19 related symptoms must remain at home for 14 days and be symptom free **OR** have a COVID-19 NEGATIVE test in order to return to school.

Additionally, students who have had a NEGATIVE COVID-19 Test and have symptoms should remain home for at least 24 hours after the symptoms have abated without medicine, Tylenol, Motrin and/or any other antipyretics (fever reducing agents).

COVID-19 RELATED SYMPTOMS THAT PRECLUDE AN SCS STUDENT FROM ATTENDING SCS:

- Fever (temperature of 100.0°F or above) and/or felt feverish and/or had chills*
- Cough*
- Sore throat
- Difficulty breathing
- Gastrointestinal symptoms (diarrhea, nausea, vomiting)*
- Abdominal pain
- Unexplained Rash
- Headache
- New loss of smell/taste
- New muscle aches

Families of students who have COVID-19 are prohibited from having their student return to school until the student has had 2 negative COVID-19 tests, and that documentation has been sent to the SCS School Nurse. She will then grant permission for the student to return to the in-person school setting.

Students sent home with COVID-19 symptoms listed above may return to school after they are tested for COVID-19 and if the COVID-19 test is initially negative. However, students will only be allowed to return if the documentation has been sent to the SCS School Nurse and she has given permission for the student to return to school.

AFTER a COVID-19 VACCINE is widely available and SCS returns to previous health protocols, the following medical conditions will prevent a child from coming to school:

- The student has a cold in early contagious stages (coughing, sneezing, watering eyes, etc.).
- The student has a body temperature of 99.6 degrees or above in the morning before school. Children should not return to school until that temperature is normal for 24 hours and fever free without medication.
- Students experiencing vomiting or diarrhea should not return to school until 24 hours after the last episode.
- The student has a sore throat for more than 24 hours. Please consult a pediatrician because a throat culture is indicated. If there is a strep infection, the child may return to school after 24 hours of taking an antibiotic; however, 48 hours is preferred.
- No child may attend school with an undiagnosed rash.
- If a child has chicken pox, the child should be home for 5-8 days after the last crop has appeared. A student may not return until all lesions have crusted over or completely disappeared.
- If a child has an infection such as ringworm, scabies, conjunctivitis, or impetigo, the child may return to school after 24 hours of topical (skin) treatment or 24 hours of oral antibiotics, if indicated and with MD/PA/NP medical note.
- A note from a physician **must be** submitted if a student is absent for four or more consecutive days because of illness.

Students returning to school after an injury, medical procedure or serious illness must bring in a note from the physician, as well as meet with the school nurse to develop a ***Return to School Safety Health Plan***.

INJURIES THAT OCCUR AT SCHOOL

In the event that a child is injured while at school, the school nurse will call the parents of the child to let the parents know their child has been injured. The call will be made by the school nurse as soon as the school nurse has seen and/or treated the child. Parents will be contacted if any head/neck bump or injury occurs, regardless of severity.

PHYSICAL EDUCATION

All students are required by Massachusetts law to participate in the school's Physical Education program. If a child cannot participate because of medical reasons, please send a doctor's certificate/note indicating the medical reason to the school nurse. All students must have goggles, sneakers, cords to secure eyeglasses, and other such items identified by the physical education teacher. See the paragraph under "Dress Code" for gym uniform requirements.

PARENTS

HOME AND SCHOOL ASSOCIATION (HASA)

The Home and School Association serves to strengthen the link between the home and the school and promotes social and athletic activities for the students and parents in the school environment. HASA sponsors and staffs a variety of enrichment activities and organizes volunteer programs within the school. Parents are automatic members of the Association and participate as time and talent permit. A listing of HASA sponsored programs is given at the beginning of the school year. The HASA meeting schedule is posted on the school's website. HASA Fees will be withdrawn from FACTs in August before the start of the school year. - **\$25 per student / max of \$75 per family**. Every child benefits from the activities run by HASA.

VOLUNTEER PROGRAM

SCS is forever grateful for the volunteerism of our Parents/Guardians. For the last many years, SCS has used our *Volunteer Program* to raise money that helps defray the cost of tuition for all families. We have done that by having our Parent/Guardians volunteer at Saint Catherine of Siena Parish BINGO. All funds raised at our parish BINGO have always been used to support SCS and defray the cost of tuition for our students because our cost to provide the school program costs more than our SCS yearly tuition per child. Additionally, parents who have not participated in our Volunteer Program have paid \$500. per year. That money has also been used to defray the cost of our tuition.

PAST VOLUNTEER PROGRAM POLICY:

Each family was required to serve 32 volunteer hours annually. Twelve of the volunteer hours were mandated to be *BINGO HOURS*.

2020-2021 INTERIM VOLUNTEER PROGRAM POLICY

Due to the current conditions surrounding COVID-19 we have made changes to our Volunteer Policy for the 2020/2021 school year. All families who have made a \$500 or \$300 volunteer deposit, at their time of enrollment, will have their fee returned to them, through FACTs by October 15,2020, as we implement our interim policy for the new school year.

If possible in accordance with COVID-19 infection prevention protocols:

Volunteer Expectation - Fall 2020

All volunteer events for Fall 2020 have been postponed. This includes Bingo.

SCS will not expect parents/guardians to volunteer during the Fall of 2020.

Tentative Volunteer Expectation - Spring 2020

If SCS can resume volunteer events in January 2021, parents/guardians will be expected to complete **10 volunteer hours** from January 2021 to June 2021. 6 hours must be completed through Bingo and 4 hours must be completed through Advancement or HASA events. Should a family not complete their hours,

they will be expected to pay \$30 per hour for the volunteer hours that they do not complete (for a max of \$300 per family).

- 5 hours (3 Bingo/2 Non Bingo) will be expected to be completed between January and March 31, 2021. If it is safe to do so and families are given the opportunity to volunteer at that time but choose not to volunteer, their FACTs Tuition Management Account will be billed for \$150 on April 15th or instead \$30 per hour for the hours not volunteered.
- The remaining 5 hours (3 Bingo/2 Non Bingo) will be expected to be completed between April 1 and June 30, 2021. If families are given the opportunity to volunteer between April 1st and June 30th if it is safe to do so in accordance with COVID-19 Prevention protocols and they do not volunteer, their FACTs Tuition Management Account will be billed for \$150 on July 15, 2021 or instead \$30 per hour for the hours not volunteered.

Please note, we will continue to review and make adjustments to the policy as needed for the 20/21 school year.

CORI REPORTS AND VIRTUS – PROTECTING GOD’S CHILDREN

All people who have contact with SCS students must have an annual up-to-date CORI form on file with SCS. These CORI Reports are processed by the Criminal History Systems Board through the Archdiocesan Office of Volunteer Resources. Adults must have a CORI on file to volunteer in the classroom, the lunch room and/or to chaperone field trips. Due to changes in the Massachusetts laws for the protection of children, fingerprinting may also be required. All parents are also required to attend a one-time VIRTUS–Protecting God’s Children seminar which will be presented several times during the school year through the parish and by the Archdiocese of Boston. CORI forms **will only** be accepted after September 30th if the family is new to the school. *This training will be done virtually on ZOOM or GOOGLE MEETS as SCS works to prevent the spread of COVID-19.*

CHILD ABUSE AND NEGLECT REPORTING

The Commonwealth of Massachusetts has determined that mandated reporters are “persons performing official duties on behalf of a church or religious body, or persons employed by a religious body to supervise, educate, coach, train or counsel a child on a regular basis. All members of the administration, faculty and staff are mandated reporters of child abuse and child neglect. If there is reasonable cause to suspect that a child is suffering physical or emotional injury resulting from abuse or neglect, it will be reported to the principal. After consultation with the school nurse, the reporting teacher, and any other staff members with insight on the situation, the principal will decide the correct course of action. This may include reporting the suspected abuse or neglect to the Department of Social Services and filing a written report to the Department of Social Services (Form 51A) and the Archdiocese.

COURT ORDERED RESTRAINTS

Unless the school has a court ordered restraint on file, a student may be released to either parent/guardian and either parent/guardian may view his or her child’s records. Parents/guardians must inform the homeroom teacher and principal of the existence of court-ordered restraints and send photocopies of such to the office.

SCHOOL DAY

SCHOOL HOURS

Students in Kindergarten through Grade 8 should report to school between 7:35 and 7:50 a.m. Parents can drop students off in the SCS Drop-Off Circle beginning at 7:35am. Faculty and Staff will work during drop-off to assure Social Distance during the time of Covid-19 Infection Prevention. All students will enter the buildings and go directly to their classrooms at that time. *(As we work to prevent Covid-19, Kindergarten to Grade 2 students will enter via the Siena Room Door #3 in the back of the school. Grade 3 will enter through the last door to the right of the Siena Room Door #3. Grades 4 and Grade 5 will enter through the Main Door at 249 Nahatan Street. Each Middle School Grade will enter through a different door. Sixth Grade will enter through Door #9 on the far right. Seventh Grade will enter through Door #7 on the far left and 8th Grade will enter through the Middle School Door #8 in the Middle.)* Depending upon COVID-19 Prevention recommendations and conditions, at 7:50 a.m., when possible and safe, teachers in Grades K-8 will proceed to the gym with their classes for Morning Prayer. However, we do not anticipate being able to do so until after a Covid-19 vaccine is widely available. Students entering the Siena Room after 7:50 will be directed into the gym for Morning Prayer. If Morning Prayer as a large group is not possible in appreciation of COVID-19 Prevention recommendations, Morning Prayer will be held in each classroom respectively. Students may enter the buildings at 7:35 a.m. *The school is not responsible for any student who arrives on the property before this time.* Preschool and Pre-Kindergarten Drop-off time is between 7:35 a.m.-8:30 a.m. Pick-up time is at 2:25 p.m. Please note that there is no bus transportation for Preschool or Pre Kindergarten students. Kindergarten students are dismissed at 2:25p.m. Students in Grades 1-8 are dismissed at 2:25 p.m.

DISMISSAL DURING SCHOOL HOURS

Students who have a valid reason to be excused from school before the end of the normal day and/or those parents/guardians who have requested early dismissal on any particular day for an excused reason will be dismissed from the office. A written note from the parent/guardian is required. To ensure the safety of the child, a parent/guardian must call for the child at the school office on Nahatan Street. No child will be dismissed from any other building. If possible, notes requesting early dismissal should be received at least one day before the actual dismissal date. Students dismissed before 11:15 a.m. on a full day will be marked absent for that day. Students dismissed before 10:00 a.m. on a half day will be marked absent for that day. *In appreciation of COVID-19 Prevention recommendations, students are asked to maintain Social Distance at dismissal and immediately go to the cars of their parents.*

AFTERNOON DISMISSAL

At dismissal from the classrooms, all students will be released from the same doors that they enter in the Morning except students dismissed from 249 Nahatan Street with the permission of their parents/guardians. After dismissal, students are to report directly to their assigned areas and teachers will work to make certain that there is as much Social Distance as possible while awaiting 'Parent/Guardian Pick-Up.' If a student is going home by a different route, Parents/Guardians are asked to please notify your child's teacher (via email or voicemail) as to the change in route. If a change in transportation is necessary after the start of school, please notify the teacher no later than 1:15 p.m. *If a call is received after 1:15 p.m., the change in dismissal cannot be guaranteed.*

All children in Grades 1 - 8 will walk home, take a bus, or be picked up promptly at 2:25 pm unless the child is enrolled in the Extended Day Program. Children are not permitted to leave the premises while waiting to go home. Any child still waiting in the back circle by the time the last bus arrives will be taken to the SCS office at 249 Nahatan Street. A teacher will wait until your child is picked up. Please be considerate. The same procedure will be used for late-arriving parents who are not on time for meeting their children on Nahatan Street.

RECESS

Time spent outdoors during recess is an important part of the school day for students from Preschool to Grade 5. Children should be exposed to fresh air and exercise daily. However, as the weather gets colder, SCS observes the following guidelines for recess:

- Outdoor recess is a daily occurrence at Saint Catherine of Siena School from Preschool to Grade 5 as long as the temperature or wind-chill is above freezing. Freezing is 32 degrees Fahrenheit or below. If the temperature or wind-chill is below 32 degrees Fahrenheit, children will not go out for recess.
- If there is a wind-chill advisory or a wind-chill warning, children will not go out for recess.
- If it is raining or snowing heavily, children will not go out for recess.

At any time, teachers may make a determination to have indoor recess depending on the weather and/or personal wellness. During Covid-19 prevention time, students will still have recess outdoors but each classroom community will stay in their classroom ‘POD’ away from other classroom communities and students will be reminded to do their best to play with Social Distance. All students will be asked to wash hands or use sanitizer for 20 seconds upon return to the classroom.

SHADOW DAYS FOR GRADE 8 STUDENTS APPLYING TO HIGH SCHOOLS

Students in Grade 8 may attend shadow days at the high schools to which they are applying. Students will be marked with an excused absence for the day. Excused absences are listed separately on the transcript sent to the high school. Students are responsible for notifying Saint Catherine School in advance and for making up all classwork, homework, tests, and quizzes that are missed.

UNSCHEDULED VACATIONS

Certain family situations and travel opportunities may occur necessitating taking children out of school for an extended period. If a child must miss school, thank you for letting the child’s teacher and school office know as soon as possible. All work should be made up within two weeks of returning to school.

EXTENDED DAY PROGRAM

SCS offers the *HAWKS Before School Program* for students in Preschool to Grade 8. The program operates from 6:30 to 7:35am each day. However, due to COVID-19 Prevention Protocol and Guidance, the HAWKS Before School Program will not operate for the first trimester of the 2020-2021 school year. SCS will survey parents again in November, 2020 to determine if there is interest to open the program for the second trimester of the 2020-2021 school year.

SCS offers the *HAWKS Extended Day Program* for students in Preschool to Grade 8. Our after school program provides a warm, safe, Catholic environment for the children who attend our school. The program operates on school days from 2:30 p.m. to 6:00 p.m. Please remember that there will be **no** HAWKS Extended Day Program on the half day before Thanksgiving, Christmas, and the last day of school.

TECHNOLOGY AND THE INTERNET

ACCEPTABLE USE OF INTERNET

SCS Students may have the opportunity to access and use the Internet under the direction of their teachers. While using the Internet, SCS students have the responsibility to adhere to our *Beliefs* as a school community found on page 5 of this handbook. Use of the Internet will be done only with the permission and/or supervision of a school faculty or staff member. SCS Students from Grade 2 to Grade 8 will receive a copy of St. Catherine of Siena’s Acceptable Use Policy. Students and their parents will be asked to sign and return the Policy.

OTHER

LUNCH PROGRAM

In accordance with Covid-19 Prevention Guidelines, Saint Catherine of Siena School will not have an outside food service provider for lunch for the 2020-21 school year. Students will be eating their lunch in their classroom for the foreseeable future in order to be as safe from possible infection as possible.

Students bringing their own (bag) lunch should not bring in soda, gum, or contents in glass containers.

Students with food allergies have the option of sitting with their classmates in the lunchroom or at a specially designated “allergy” table. Parents/guardians should confer with the nurse and the homeroom teacher to determine which type of seating is in the child’s best interests because of age, type of allergen, etc. Due to food allergies, some classrooms may be designated as nut-free. Teachers will notify parents if the class is designated as a nut-free classroom.

MIDDLE SCHOOL INFORMATION FORMS/PAPERWORK

Requests for Grade 8 students to have grades, recommendations and other information to be sent to high schools must be made to the homeroom teacher by the Wednesday before Thanksgiving. To assist us in writing recommendations, each student will be provided a *Survey Form* to complete indicating extracurricular activities, honors and awards he/she has received.

VISITORS

Only essential visitors will be allowed in SCS during the 2020-21 school year. Anyone wishing to enter any of the school buildings, including the Middle School, must report to the school office. Therefore, visitors must use the Nahatan Street entrance to enter the school during normal school hours.

Essential School Visitors must sign in at the office and obtain a badge to identify themselves.

Family/Teacher Meetings are encouraged but will be held in ZOOM or Google Meets for the foreseeable future.

INTEGRATED PEST MANAGEMENT PROGRAM (IPMP)

The State has required that all schools have in place an Integrated Pest Management Program (IPMP). SCS has one in place. If you desire to review our IPMP, send a letter to the school office to the attention of Facilities Management so that a mutually convenient appointment can be arranged.

ASBESTOS HAZARD EMERGENCY RESPONSE ACT (AHERA)

The Environmental Protection Agency requires all schools to have an Asbestos Hazard Emergency Response Act (AHERA) program in place. SCS is in compliance. If you desire to review our AHERA records, send a letter to the school office to the attention of Facilities Management so that a mutually convenient appointment can be arranged.

COVID-19 PREVENTION INFORMATION

All SCS Covid-19 Prevention Information can be found in the *SCS Return to School Plan*. SCS will adhere to that plan as long as it is necessary during the 2020-21 school year in accordance with guidance from the Department of Elementary and Secondary Education (DESE) and the Department of Early Education and Care (EEC.) We will use the Covid-19 Prevention protocols and systems in order to help our students and staff be as safe as possible until further notice. We plan to communicate to families regularly and would do so if we are able to lessen restrictions in accordance with DESE and EEC guidance.

****SCS Administration retains the right to amend this handbook and the SCS Return to School Plan at any time. Parents will be given prompt notification if changes are made.***
